#### 2. Citations and explanations

#### Concerning Claim 1

A flame-retardant polyester fiber comprising a phosphorus compound copolyester with phosphorus content of 500 to 50,000 ppm is well-known prior art, and is disclosed in document 1 [US, 4157436, A (TOYO BOSEKI K.K.), 5 June 1979 (05.06.79)] for example, but a flame-retardant polyester fiber which satisfies the conditions set forth in formulas (1), (2), and (3) of this application's claims is not described. Therefore the subject matter of claim 1 appears to involve novelty.

Also, by satisfying the conditions set forth in formulas (1), (2), and (3) of this application's claims the fiber is not only flame-retardant but also achieves the effect of superior light resistance and wear resistance, and appears to involve an inventive step.

#### Concerning Claims 2-10

Claims 2-10 are inventions described in a format that cites the aforesaid claim 1, and as noted above the invention described in claim 1 appears to involve novelty and an inventive step, so the inventions of each of these claims, which are restrictions thereon, involve novelty and an inventive step.

Comparative examples 3 and 4 in the specification of this application satisfy all of the requirements specified in claim 1. Basic fiber properties such as LOI value and so forth are also about the same as in the embodiments and are not inferior. Nevertheless, they are said to be outside the scope of the present invention, so the description lacks consistency.

請求の範囲第1項

リン原子の含有量が $500\sim50000$  p p mのリン化合物共重合ポリエステルからなる難燃ポリエステル繊維は、例えば文献 1 US, 4157436, A (Toyo B oseki Kabushiki Kaisha), 5.6月.1979(05.06.79) に開示されているように従来公知であるが、本願の請求の範囲(1)(2)(3)式にて規定する要件を満たす難燃ポリエステル繊維については記載されていない。したがって、この請求の範囲第1項に関する発明は新規性を有している。

また、本願の請求の範囲(1)(2)(3)式にて規定する要件を満たすことで、繊維が 難燃性のみならず耐光堅牢度、摩耗強さに優れるという効果があり、進歩性を有して いる。

請求の範囲第2-10項

第2~10項は上記の第1項を引用する形式で記述された発明であり、上記のように第1項に関する発明は新規性、進歩性を有するから、それに限定を付したこれらの請求の範囲各項に関する発明は新規性、進歩性を有する。

### INFORMATION ON TIME LIMITS FOR ENTERING THE NATIONAL PHASE

The applicant is reminded that the "national phase" must be entered before each of the designated Offices indicated in the Notification of Receipt of Record Copy (Form PCT/IB/301) by paying national fees and furnishing translations, as prescribed by the applicable national laws.

The time limit for performing these procedural acts is 20 MONTHS from the priority date or, for those designated States which the applicant elects in a demand for international preliminary examination or in a later election, 30 MONTHS from the priority date, provided that the election is made before the expiration of 19 months from the priority date. Some designated (or elected) Offices have fixed time limits which expire even later than 20 or 30 months from the priority date. In other Offices an extension of time or grace period, in some cases upon payment of an additional fee, is available.

In addition to these procedural acts, the applicant may also have to comply with other special requirements applicable in certain Offices. It is the applicant's responsibility to ensure that the necessary steps to enter the national phase are taken in a timely fashion. Most designated Offices do not issue reminders to applicants in connection with the entry into the national phase.

For detailed information about the procedural acts to be performed to enter the national phase before each designated Office, the applicable time limits and possible extensions of time or grace periods, and any other requirements, see the relevant Chapters of Volume II of the PCT Applicant's Guide. Information about the requirements for filing a demand for international preliminary examination is set out in Chapter IX of Volume I of the PCT Applicant's Guide.

GR and ES became bound by PCT Chapter II on 7 September 1996 and 6 September 1997, respectively, and may, therefore, be elected in a demand or a later election filed on or after 7 September 1996 and 6 September 1997, respectively, regardless of the filing date of the international application. (See second paragraph above.)

Note that only an applicant who is a national or resident of a PCT Contracting State which is bound by Chapter II has the right to file a demand for international preliminary examination.

#### CONFIRMATION OF PRECAUTIONARY DESIGNATIONS

This notification lists only specific designations made under Rule 4.9(a) in the request. It is important to check that these designations are correct. Errors in designations can be corrected where precautionary designations have been made under Rule 4.9(b). The applicant is hereby reminded that any precautionary designations may be confirmed according to Rule 4.9(c) before the expiration of 15 months from the priority date. If it is not confirmed, it will automatically be regarded as withdrawn by the applicant. There will be no reminder and no invitation. Confirmation of a designation consists of the filing of a notice specifying the designated State concerned (with an indication of the kind of protection or treatment desired) and the payment of the designation and confirmation fees. Confirmation must reach the receiving Office within the 15-month time limit.

#### REQUIREMENTS REGARDING PRIORITY DOCUMENTS

For applicants who have not yet complied with the requirements regarding priority documents, the following is recalled.

Where the priority of an earlier national, regional or international application is claimed, the applicant must submit a copy of the said earlier application, certified by the authority with which it was filed ("the priority document") to the receiving Office (which will transmit it to the International Bureau) or directly to the International Bureau, before the expiration of 16 months from the priority date, provided that any such priority document may still be submitted to the International Bureau before that date of international publication of the international application, in which case that document will be considered to have been received by the International Bureau on the last day of the 16-month time limit (Rule 17.1(a)).

Where the priority document is issued by the receiving Office, the applicant may, instead of submitting the priority document, request the receiving Office to prepare and transmit the priority document to the International Bureau. Such request must be made before the expiration of the 16-month time limit and may be subjected by the receiving Office to the payment of a fee (Rule 17.1(b)).

If the priority document concerned is not submitted to the International Bureau or if the request to the receiving Office to prepare and transmit the priority document has not been made (and the corresponding fee, if any, paid) within the applicable time limit indicated under the preceding paragraphs, any designated State may disregard the priority claim, provided that no designated Office may disregard the priority claim concerned before giving the applicant an opportunity to furnish the priority document within a time limit which is reasonable under the circumstances.

Where several priorities are claimed, the priority date to be considered for the purposes of computing the 16-month time limit is the filing date of the earliest application whose priority is claimed.
